1 BUY THE CLUB PLAN — CLUB ADMIN

Go to **grassrootslocker.com**, scroll to **Clubs & groups** and choose Join monthly or Join yearly on the plan that fits. Whoever pays becomes the club admin and uses one of the places. Tip: sign up with an email the club will keep, such as the club secretary's, so the account doesn't leave with one coach.

2 SEND YOUR INVITE LINK — CLUB ADMIN

1. Log in and open your locker. At the top, click **My club** (or the **Invite your coaches** button).
2. Open the **Team** tab and copy your club's invite link.
3. Send it to your coaches by WhatsApp, text or email. You could use this:

> *"Hi all, the club has signed up to Grassroots Locker: themed session plans with videos and one-page printable plans for every age group. Click this link to set up your own login: [paste your invite link]"*

3 COACHES JOIN — EACH COACH

Coaches click the link and choose **Create my login**, using their own email and a password. If they already have a Grassroots Locker login, they choose **I already have a login** instead. They land straight in the session library and pick the age group they coach: Mini (U7–U10), Junior (U11–U13) or Youth (U14–U16).

4 PREVIEW, DOWNLOAD, COACH — EACH COACH

Every coach can browse the whole library, including the 36-week season programme and a new free session every Monday. Sessions with video have a 21-second preview. Each download uses 1 of that coach's 10 monthly credits and gives them the full plan, the videos and a one-page printable PDF. Everything they download stays in their **My Locker**. Credits are per coach, so one coach can't use up another's. They reset on the 1st of every month, and each new Monday session is free to download in its first week.

MANAGING YOUR CLUB

- **Swap a coach:** remove them on the Team tab to free the place, then send the link to someone new.
- **Need more places:** email us to move up a club size.
- **Billing, invoices and cancelling:** My account, at the top of your locker.

GOOD TO KNOW

- Once all your places are taken, the invite link stops accepting new coaches.
- Keep the invite link within your club. Anyone with it can take a place.
- Need an invoice for your treasurer, or have more than 20 coaches? Just ask.
